

## IADR Unilever Hatton Competition & Awards

As supported by the IADR and Unilever Oral Care, the IADR Unilever Hatton Competition and Awards is designed to provide an opportunity for the best junior and senior investigators from all countries in IADR-SEA Division to present their researches.

The winner of the IADR-SEA Division will be supported to participate in the IADR/Unilever Hatton Competition to be held at the 99<sup>th</sup> General Session & Exhibition of the IADR and 5<sup>th</sup> Meeting of the IADR Asia Pacific Region during 23 – 26 June 2021 in Chengdu, China. The award is open to all dental researchers who are active members of the Southeast Asian (SEA) Division of the IADR.

### Candidates:

All candidates **MUST** be **a current member of the IADR** at the time of abstract submission and award competition, **AND MUST** be **a nationality of Southeast Asian countries**.

### Competition Categories:

**Junior:** Entrants must be currently enrolled in a B.D.S./D.D.S. (Bachelor's and/or dental degree). This competition will be limited to those candidates who have carried out their research as part of undergraduate/professional training (research conducted as an undergraduate science student, as a dental student, or at a time of pursuing a combined science degree while in training as a dental student).

**Senior:** Entrants must be enrolled in a post-dental, post-graduate, or PhD program or have performed the research submitted to the competition within three (3) years of their earning their Ph.D. Entrants for this category would have carried out research as part of a higher degree, either a Masters, Ph.D., or M.D. with previous laboratory experience, or as part of specialty or post-doctoral training.

## Requirements:

On the abstract form and presentation, **the entrant must be listed first, as primary author and presenter** of the abstract entered for the competition. Co-authors, if any, should also be listed on both the abstract and the presentation. In order to be considered for the competition, the contestant's research may not have been published or presented at any major scientific meeting prior to the Division/Section meeting at which the contestant is selected.

## How to Apply:

Candidates **MUST** submit an abstract via the IADR Meeting Abstract Submission site **by the abstract submission deadline**, AND

Candidates **MUST indicate on the online submission form that they are IADR Unilever Hatton Competitors and the category** in which they are entering (Junior, or Senior).

Any submission via the IADR-SEA e-mail after submission deadline, or any submission without indicating as the competitor will not be accepted.

Detailed information will be coming later.
